Justice Minister Jordan Brown tabled a bill to amend the Freedom of Information and Privacy Protection Act. Says it will include some municipalities and post-secondary institutions.

**Ryan R Ross** @ryanrross · May 22

Brown tells him not to respond in French.

**Ryan R Ross** @ryanrross

Trivers stands to respond to a statement from @RichardBrownPEI about tax break on electricity, other heat sources.

**Ryan R Ross** @ryanrross · May 22

Now Trivers is heckling Education Minister Jordan Brown in French.

**Ryan R Ross** @ryanrross · May 22

Speaker Buck Watts uses French to tell Trivers he's on his final question.

**Ryan R Ross** @ryanrross · May 22

Brad Trivers is asking a question in French and English. I think I'm safe in saying he needs to work on his French.

**Ryan R Ross** @ryanrross · May 22

Peter Bevan-Baker is asking about school lunch programs.

**Ryan R Ross** @ryanrross · May 22

A page just spilled water on the clerk's desk during question period. First spill I've seen this session.

**Ryan R Ross** @ryanrross · May 22

Economic Development Minister Chris Palmer says government plans to support the bill.

**Ryan R Ross** @ryanrross

Opposition plans to call a bill to the floor tonight that would allow members of the public to sit on IIDJ board.

**Ryan R Ross** @ryanrross · May 22

Opposition plans to call a bill to the floor tonight that would allow members of the public to sit on IIDJ board.

**Ryan R Ross** @ryanrross · May 22

Back in the legislature for another day. Week eight.
